

Boston FSDO, FAASTeam presents:

## **Boston FSDO Flight Instructor Forum & Meeting**

The Boston FSDO has quarterly meetings & discussions on issues facing pilots and instructors, not only nationally, but also in the local area. We are looking to have active instructors, of all experience levels, join us in the discussion and learn some best practices. This is also a great opportunity to meet today's & tomorrow's aviation professionals. At this open forum, we will discuss Transitioning from Steam to Glass & Glass to Steam Gauges. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding ways to increase effectiveness of transition training from traditional "steam gauges" to glass panel displays. More than ever before, the aircraft in which we train the pilots of tomorrow, are upgraded with new equipment. What are the best practices for teaching this transition? Don't miss this opportunity to discuss the methods, techniques, and challenges involved in guiding a pilot through a transition. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

**Directions:** The Boston FSDO is located at the "The District" (12 New England Executive Park), which is between the Burlington Mall & the Lahey Medical Clinic.

## Event Details

**Wed, Dec 30, 2015 - 16:30 EST**  
**Boston FSDO (Located at 'The District')**

12 New England Executive Park  
Burlington, MA 01803
